## SOUTH AUSTRALIA

# Approved Betting Contingencies Notice 2016

## NOTES ON CLAUSES

The *Authorised Betting Operations Act 2000* makes provision for licensees and authorised interstate betting operators to bet on races conducted by licensed racing clubs and approved contingencies. This notice remakes the existing approvals of contingencies under section 4 of the *Authorised Betting Operations Act*, with two changes—that licensed bookmakers would have access to the same contingencies as the holder of the major betting operations licence (Ubet SA Pty Ltd) and authorised interstate betting operators, and that election betting will be included.

*Clause 1* sets out the title of the notice and the authorising provision and provides for the revocation of the present notices approving contingencies.

*Clause 2* approves contingencies by reference to Events and propositions (or bet types) as related in Schedule 1. The clause contains a qualification that the relevant gambling provider must have concurrent authority under the terms of its licence to accept the bet and that only logical proposition/Event combinations are approved. (For instance, racing clubs' licences only permit them to take totalisator bets on races—the approval of a sporting contingency generally would not authorise such a licensee to accept a bet on a sporting event.)

*Clause 3* provides for a dictionary of definitions (in Schedule 2) and a listing of Events (in Schedule 3).

*Schedule 1* relates propositions to Events in a manner similar to that in the revoked notices for the major betting operations licence and operations of authorised interstate betting operators. A contingency is a combination of a proposition (or bet type) and an Event.

These cover the field of the contingencies previously approved for licensed bookmakers and licensed racing clubs. While there has been some minor restructuring of the way particular contingencies have been approved (for example, the Jockeys' Challenge), the only change of substance has been to include election betting.

*Schedule 2* contains the dictionary. Aside from minor formatting changes and changes consequential on structural changes to Schedule 1, this is in the same terms as the previous approvals.

*Schedule 3* contains the list of Events on which betting can take place. While the previous notices allowed for some Events to appear only in the equivalent of

*Approved Betting Contingencies Notice 2016*  
*Notes on clauses*

Schedule 1, this list now includes all Events in respect of which a bet might be accepted.
